

## VISION

Our institution has a noble vision of providing Medical, Paramedical Sector and Educational assistance to the weaker sections of the community, regardless of caste, creed or religion. The institution is committed to providing comprehensive and holistic healthcare services to those in needs, including the underprivileged and deserving ones.

## MISSION

Our mission is to impart high-quality education and training to our students in the fields of Unani Medicine, Physiotherapy, Public Health and Paramedical Sector while fostering a culture of research excellence and social responsibility. We aim to equip our students with the knowledge, skills and humanitarian service approach, necessary to excel in their respective fields and make meaningful contributions to the society.

## AIMS & OBJECTS

1. To provide high-quality education and training in the fields of Unani Medicine and Physiotherapy & Paramedical Sciences enabling our students to become competent and skilled professionals.
2. To foster a culture of research excellence, encouraging faculty and students to engage in cutting-edge research and publish their findings in leading journals.
3. To provide practical exposure and clinical training to our students, enabling them to apply theoretical knowledge to real-life scenarios.
4. To serve the community through various outreach programs aimed at providing healthcare services to the underprivileged.
5. To continuously upgrade and improve our academic and research infrastructure, ensuring that we remain at the forefront of medical education and research in the region.
6. To promote interdisciplinary collaboration and cooperation among faculty of other institutes of any Campus, staff and students, encouraging the exchange of ideas and knowledge across various fields of study.
7. To instil in our students a sense of social responsibility and ethical values, equipping them with the necessary attitudes and values to become responsible citizens and healthcare professionals.

Through the pursuit of these aims and objectives, we are confident that M.M.E.&R.C's, Pune will continue to make significant contributions towards the advancement of Medical education, research and healthcare in the region.
